I talked to Bill Tyler about divers matters this morning, and afterwards with Bob Thayer. Evangeline and I had lunch together Chez Marius. I discussed with Bill Koren his becoming Public Affairs Officer temporarily at the Embassy. I had a talk with Doug Dillon and J. Kingsbury Smith. I then went to see Oliver Harvey and Bill Hayter regarding the British Government's attitude toward closer association with EDC. I took Evang line to Orly where she boarded the airplane at 7:00 p.m. Warren Pierson and his wife were aboard. It's usually pleasant to travel with the head of the Airline.
